

# HUMAN WASTE COLLECTION SCHEDULE (Apr. 2022~Sep. 2022)

**File Edition**

4-1-29 Mizuhai, Higashiosaka City  
Higashiosaka City Park Environment Association  
Public Interest Incorporated Foundations

Thank you for your understanding and cooperation for the collection of human waste.

Please refer to the schedule below for collection of human waste in your area. However, when the collection volume decrease remarkably due to change to flush toilet system, collection schedule may change. In such case, new schedule will be distributed.

Thank you for your understanding.

**Please refer to your Area No. with a truck No. stamped for collection date.**

**<<Note>>**

- Do not place flower pot or other obstacles and weed near the outlet hole or on the passageway.
- Remove the nest of hairy caterpillars or bees near the outlet hole or on the passageway.
- Do not dispose newspapers or other obstacles, which may cause a hose clog.  
(Sanitary napkins or diapers are collected as household garbage.)
- Collection day may move to the following day in case of heavy rain or typhoon.
- Please notify or apply in case of moving-in or out, change of tank type, change to flush toilet, or change of number of users, etc.
- Please make sure to repair the damaged tank due to inflow of rainwater or other reasons.
